

## DIRECTORS' RECRUITMENT

Thank you for your interest in becoming a Non-Executive Director of the Peterborough Diocese Education Trust. In order for us to meet the exciting and demanding challenges ahead, we wish to strengthen the expertise on our Board of Directors and the following information explains what we are looking for.

Do you have the time, energy and willingness to become involved in our work in order to make a positive and significant contribution to the lives of young people?

The Directors work as members of a team in which all contribute to effective working relationships in order to play a key role in raising standards in our academy schools.

Our vision is for all our academy schools to become highly successful and meet the needs of the community in which they serve. The Trust believes that every child has the right to a good education and this will be achieved within a distinctively Christian context, valuing children as individuals and enabling them to discover and develop their God-given talents.

The following information sets out our aspirations in detail and if your experience, personal qualities and values support our aspirations we look forward to receiving your application.

At the time of writing (March 2018) the Multi Academy Trust has responsibility for 25 academy primary schools with more seeking to join over the next 12 months.
