SCHOOL

AFTER SCHOOL SAFETY

Please ensure that when you pick up your children from school that they do not play on the field or play equipment. This is to ensure that all children have gone with a known adult and that we have the correct children attending after school clubs. We have had an incident where a child played outside and it was not clear to staff that they had not been collected. The park in Barby has fantastic play equipment if you would like to take your child to play after school. We appreciate your support in this matter of keeping all children safe.

MUFTI DAY

Thank you for all the bottle donations for the Tombola. If anyone is able to offer their time to help with organising or staffing a stall please let the PTA or school office know.

FOOTBALL AND RESILIENCE DAY

On Monday 11th June we will be welcoming coaches from Northampton Town Football Club. They will be delivering assemblies to the children and all classes will take part in lessons about the importance of resilience linked to sport and other aspects of their lives.

YEAR 5 MATHS ENRICHMENT DAY

The year 5's had a fantastic day at Wicksteed Park on Tuesday. They worked together as a team to solve puzzles around the grounds and investigated different mathematical questions.

30 DAYS WILD

Throughout June we are joining in the 30 days wild project. There are lots of wild ideas on www.wildlifetrusts.org. If you have taken part in any of their activities why not send us a photo or tweet one to our twitter @BarbyCEPrimary. Some of our pupils have designed bug hotels, created quizzes and investigated wildlife facts.
