

Dear Parents,

Just one more term to go....seven weeks...then we shall say 'goodbye' to our lovely Year 6 cohort. They have come up with numerous ideas as a leaving trip and a theme park came up high on the list so we shall be taking them to Twin Lakes in July! I am delighted to tell you that the whole school trip is now organised for Monday 16th July. Let's hope for better weather on that day. Other events in the 'dates' section include some Peterborough Diocese Days. These are being held at Peterborough Cathedral and Wicksteed Park for selected year groups.

Next term you will receive another curriculum newsletter outlining what your child will be covering over that term. We are hoping to set our homework policy soon, part of which is designed to give you support in working with your children to help solidify their knowledge.

Once again, hoping you have a lovely weekend.

Best wishes, Neil Aiken

May Day Celebrations

It was great to see so many parents at our May Day Celebrations. I am so pleased that the children were able to perform their dances in relatively dry weather!! It was also lovely to show our appreciation to Dr. Andrew and Dorothy Stevens who have been supporting the children's reading in school for many years!

A big thank you to Mr Binley for all his choreography in helping the children in their routines. Also another big thank you to the ladies of 'FOLS' in providing refreshments on the day.

During the morning session the children were split up in to mixed age groups and had the opportunity to complete mini art projects with each member of staff, from making hats to flowers and even playing the accordion!! Thank you for all your support.

Whole School Trip

This will take place on Monday 16th July. We are taking two coaches and plenty of staff. Due to the trip being at the seaside, a full risk assessment will be completed and sent to our Health and Safety consultants. We are hoping to take a trip on the 'wash monster' and enjoy sausage and chips for our lunch.

Your children may be given the opportunity to paddle in a controlled environment to guarantee their safety.

We shall let you know the cost details after half term.
