Craft & Flower Festival 23rd & 24th September at St Leonard's Church

This year St Leonard's are holding a craft and flower festival on Sat 23rd Sept and Sun 24th Sept which will be part of their Harvest Festival celebrations.

They would like our school to be involved again this year and there will be a children's section so if any individual child would like to take part the theme for that is to make either an animal, character or person out of fruit or vegetables or both, or a small flower arrangement (it would also help if they could write their names on a piece of paper to place their display).

Change 4 Life Snippet

Did you know... that your body is like a car engine? It's really important that the fuel (food and drink) you put into your body is the best. Eating healthy food which is low in salt, low in sugar & low in fat is a great start.
