Useful information and Reminders

- Don't forget you should notify the school office **by 9.30am** if your child is unwell and will be absent from school. (Email, phone call, answerphone message or in person)
- If your child is going to be late arriving or is being collected early due to a medical appointment, you should inform the office in advance, so we know to expect you.
- School lunches must be booked via ParentPay before 9am.

Friends and Family Friday - 26th January 2018 - 3pm

This Friday's 'Friends and Family' theme is Maths. Class teachers will explain a little about what maths looks like in their classes including the focus on 'Mastery' and 'Greater Depth' and there will be activities linked to this for you to share with your child.

We are aware that for some parents it has been a little difficult to visit your children in different classes. Although we don't have a perfect solution to this, in an effort to make this slightly easier we are suggesting that class teachers in Stanwick and Brixworth (KS2) will talk about maths at 3pm where there are a greater number of strategies used, with activities afterwards. In Sywell and Irchester (KS1) there will be more practical sessions with staff on hand to answer questions or explain teaching and learning.

Also, in an effort to solve the problem of our narrow corridors, we are suggesting that KS2 use the main entrance to the school in the carpark and KS1 and Reception use the hall door.

As always, there is no expectation for you to attend any or all of these sessions, we understand the pressures of work commitments. We will provide information on the topics covered for all parents.

Many thanks for all your support,

Mrs Scott
