**Northampton In Bloom**

As part of our on-going commitment to improve our school grounds, we have again decided to take part in the Northampton in Bloom competition. Last year, all our efforts meant that we were awarded a Silver Gilt award.

There is not a lot of time to get our green fingers busy, therefore we are asking for your help in making our school grounds beautiful again.

The theme for this year's competition is "Remembrance" as it is the 100th anniversary of both the end of the First World War and the Royal Air Force. The children in Brixworth class would like the colour theme to be red, white and blue in keeping with this.

Donations still gratefully received. One, two or a few plants to school e.g. pansies, violas, daisies, petunias, geraniums, irises etc. or any other flowers in the chosen colours. We would also be grateful for any pots, empty fizzy drink bottles with the lid, compost, hanging baskets etc. Also if you took any pots home over last summer please can these be returned with or without plants. Our judging date is set for mid July.
