Wellbeing Programme

Years 4, 5 and 6 are learning about their wellbeing at the moment. They have already thought about having a 'glass half full' attitude, coping with difficult feelings, and why it's important to be grateful for what we have. This week year 6 were exploring the qualities that a good friend has, and prioritising which qualities are most important to them.

Lucy, Jack and Lily's list has trust, respect and fun as their top 3, although every group was different, with many choosing loyalty as their number 1 priority.

The children have responded really well to this programme and some very thought-provoking conversations have taken place in class.

Our new Christian value is:

Forgiveness

"Let us forgive each other – only then will we live in peace."

Leo Tolstoy

Whilst we are hoping for sunshine at this time of year, please make sure your child comes to school with a waterproof coat, since we have been experiencing quite a few spring showers too!

Kestrels are still collecting kitchen roll tubes and empty tissue boxes – any donations gratefully received. Thank you.
