## Newsletter – 22<sup>nd</sup> June 2018

### Class News

#### Class One

We have had fun learning how to whittle at Forest School and were amazed to see the different colours under the bark. Yesterday morning, we were extremely busy making perfume from mint leaves and rose petals and even had a 'pop up' perfume shop in the afternoon.

#### Class Two

Last week, Class 2, prepared their special plant pots with undercoats and background colours. This week, they have been designing their unique pattern and picture to go onto the pots. They have been using acrylic paints to add bold colours to really make their designs stand out.

#### Class Three

This week, the school has been very quiet as class 3 were missing. They were having a great time at Everdon Outdoor Learning Centre and have been given their very own page to share their experiences. Please read on to find out more.

#### Class Four

Class 4 have started their journey to Ancient Egypt by finding out about the key events in the history of Ancient Egypt and putting them on a time line. They have also located Egypt on a world map and labelled the surrounding countries. They then went on to identifying some of the most important landmarks in Egypt.

We are preparing for our school trip to the British Museum next week.

#### Birthday Corner

Happy Birthday to:  
Grace and Grace

#### Message Board

##### Headteacher's message

I welcomed the CEO of PDET to the school on Tuesday, who had never been to Staverton before. It was lovely to give him a tour of the school and see such well-behaved and polite children enjoying their learning in each class. He commented on how respectful the children were when talking to visitors and making them feel welcome, which was lovely to see and hear.

##### STAVERTON'S GOT TALENT!!!

Late notice on the newsletter, but Staverton's Got Talent has been rescheduled for this coming Monday! Tickets are still available from the school office and children can still enter. Please come along and cheer on our stars.

##### School transition afternoons

On these dates, all year groups will move up to be with their new class for September. Year 6 will be in the hall with Mrs Satsangi.

##### Magical Maths after school club!

Magical maths club continued with a visit from Inspector Stately Holmes! The children were learning some crime-solving maths skills. The club continues each Tuesday evening for the next three weeks.

##### Parking

We have had two near-misses with parking in the last two weeks. Our school ambassadors and children implore you to not park opposite the school entrance without permission from the school for exceptional circumstances. Our ambassadors will be outside monitoring parking starting next week. Please be polite and courteous.

Page 3 – Everdon Residential**

Class Three were lucky enough to enjoy a three day residential trip to Everdon this week. We had an amazing time visiting the woods and learning how to identify minibeasts and their habitats, finding badger setts and rabbit warrens, den building, walking, fire making, marshmallow toasting and playing predator and prey games. The children were brilliantly behaved and were a pleasure to take away.

## **Our Achievements**

**Football** – Corey received a runners up medal for his team, coming second in a tournament – even without a goalie!

**Running** – Reuben shared his wristband which he received after running a half marathon through the local park run.

**Sailing** – Henry competed the first level of his sailing training.

**Swimming** – Isabella and Oliver shared a plethora of swimming achievements, including bronze, silver and gold medals for a range of swimming styles.

**Judo** – Lawrie achieved his junior black belt last week and even challenged his well-renowned trainer, Brian Jacks, to a fight!

**Competition** – Well done to children who represented the school this week in the cricket competition. We won the Daventry and South Northamptonshire Cricket competition and brought home a trophy and winners medals.

## **Well Done!** **STARS OF THE WEEK:**

**Class 1:**            **Sophia** - For putting 100% effort into everything she does.

**Class 2:**            **Sophie** - For becoming an increasingly independent writer.  
**Summer-Tru** - For super progress in reading.

**Class 3:**            **The whole class** – for your excellent behaviour and mature attitudes on your residential. For showing off your great school. And for just being yourselves.

**Class 4:**            **Annabelle** - For her fantastic effort in producing longer pieces of writing.  
**Flynn** - For fantastic effort in editing his writing.

**Headteacher's Star:**    **Jessica** – For doing selfless good deeds  
**Harry** - For welcoming Staverton's guests and selling our school so well.

**Winning house:**        **Amber!**
