

DIRECTORS' RECRUITMENT

Do you have the time, energy and willingness to become involved in our work in order to make a positive and significant contribution to the lives of young people?

In order for us to meet the exciting and demanding challenges ahead, we wish to broaden the expertise of our Board of Directors.

The Directors work as members of a team and all make a significant contribution. Highly effective working relationships enable the Board to play its key role in raising standards in our academy schools.

At the time of writing PDET has responsibility for 26 academy primary schools, with more seeking to join over the next 12 months.

Our vision is for all our academy schools to become highly successful in meeting the needs of the community in which they serve. The Trust believes that every child has the right to a good education and this will be achieved within a distinctively Christian context, valuing children as individuals and enabling them to discover and develop their God-given talents.

Thank you very much for your interest in becoming a Non-Executive Director of the Peterborough Diocese Education Trust. The following information sets out our aspirations in detail; if you believe that your experience, personal qualities and values support our aspirations we very much look forward to receiving your application.
