Newsletter No. 08

2nd November 2018

## LATEST NEWS ...

Half term has flown by and now term 2 is underway as we head towards Christmas. This is always a busy, but very enjoyable term.

It has been a good week in school with the 'Open Day' being a great success. The children really showed what a great school it is, and have already been immersed in their topic 'Remember, Remember'.

### Harvest Festival

Thank you to all the contributions to the Harvest festival. We had so many tins and packets – they really will make a huge difference to the homeless people of Northampton.

### Poppies

The children have been busy making and drawing poppies for a display in the village and school. We also have poppies on sale in the school office. Please see Mrs Phillips for further details.

### Parking

Please avoid parking over other peoples driveways near school, particularly access to the village hall and residential dwellings.

### PE Kits

Please check your child has a full PE kit in school. After half term, it is easy to forget some items. Children will need to have trainers and jogging bottoms are a great idea for outdoor PE

### Online Safety

Encourage your child to talk to you about how they use the internet and show you what they do. Discuss with them the kinds of things they might come across. A good time to talk is when they get a new device or mention a new website.

## PHOTOGRAPH POLICY

The Trust has revised its **Photograph Policy**, following various queries, in order to clarify it and a copy is attached.

Please be aware that Spratton CE Primary School referred to as an academy throughout the policy is permitted to take/use photographs of your child, as set out in the policy, as it's part of the statutory function of providing an education which is lawful on the grounds of public interest.

However, if you have any preferences regarding the use of your child's photographs, these must be detailed on the preference form attached to the policy and we will endeavour to take them into account. If you have preferences, please complete the form at the back of the policy and return to the office in a sealed envelope.

Where the academy plans to take or use photos in any other circumstances outside of the policy, we will request your specific consent at the relevant time.

If you have any queries regarding the content of the policy or completing the preference form, please do not hesitate to contact the academy.

**Please note, you do not need to complete the preference form and return it if you are happy for school to use photographs of your child in the ways stated in the policy.**

Our Christian value is now  
**Peace**

Please remember to visit our new school website regularly, which is still having new content added all the time, including events at... <http://sprattonprimary.org.uk> alternatively, follow us on **facebook** at: **Spratton Primary School**
